No. SSEC/26 / VKP- VKMS SBROAD / 2022/

Date: 12.09.2022

To,  
The Principal,  
Vikhe Patil Foundation's,  
Vikhe Patil Memorial School,  
Near patrakar Ngr ,SB Road  
Pune-411016.

Sub:-- Building Safety Certificate for School Building of Vikhe Patil Foundation's Vikhe Patil Memorial School ,Off Senapati Bapat Road,Near Patrakar nagar, Pune 16.

Ref:-Your work order no Dr. VPF /Work order/2022-23 /81 dated 06.09.2022.

With reference to above referred work order , We Shree Sai Engineers and Consultants visited and inspected above subjected school building on 07.09.2022 . We have done visual inspections of exposed external surfaces of the structural members of this school building .While visiting and observing to the school building our technical team found that entire building is well maintained . It seems that proper periodic maintenance is carried out for the school building. Also no Major structural abnormalities were observed.

This school building is constructed floor wise in two phases, in year 1994 and year 2010 respectively and its additional details are as under:-

1	Name of Building	Vikhe Patil Memorial School Pune at Off Senapati Bapat Road, Near Patrakarnagar, Pune 411016.
2	Age of building	More than 25 years
3	Type of Construction:	RCC Framed Structure
4	No of stories:	G+3
5	Purpose/Use of Building:	Education purpose

We hereby certify that the above mentioned school building is structurally sound and fit to be used for the education purpose as school buildings.

This certificate is valid for 5 (Five Years) w.e.f. 12.09.2022

This certificate is purely based on visual inspection of accessible/visible exposed external surfaces of building. This certificate does not covers any damages due to natural disaster like earthquake, cyclone, fire or any other natural impacts which may affects the stability of the building .

(2)

As a part of the certificate it is requested for:-

- 1) The periodic maintenance of the school building to be carried out strictly as per norms.
- 2) Any major addition and alteration should not be done without approval of the structural consultant/auditor .
- 3) Any changes observed in the building structure should be immediately brought in the knowledge of structural consultant/auditor .

Thanking you,

Regards,
